UN Article 2(4)

## Breadth

- Country membership or participation in multilateral institutions that address the domain and accession to (or withdrawal from) key instruments of multilateralism
- Multilateral ties, both formal and informal, that countries have to other countries and regions

**Institutions**

**Treaties**

**Regional ties**

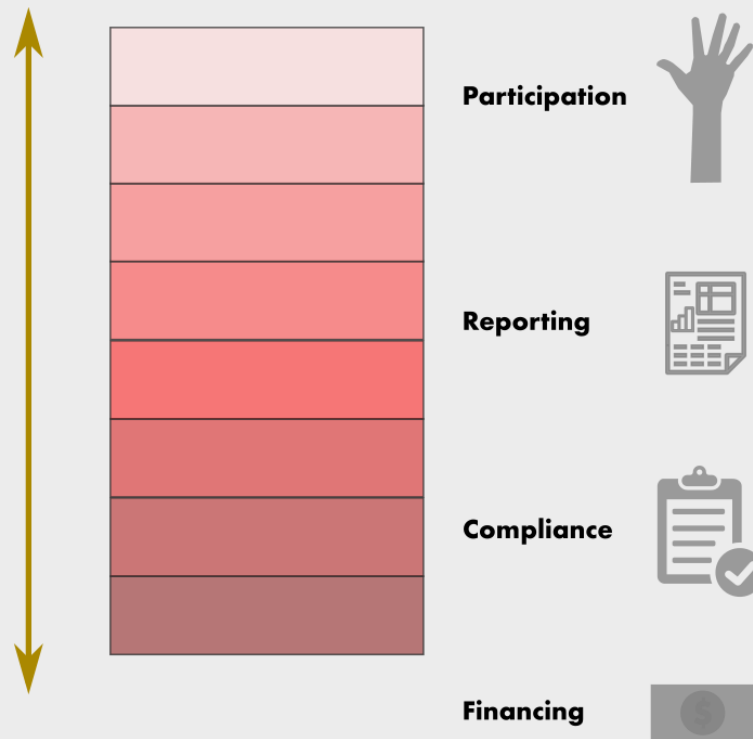

**Global ties**

## Depth

- Quality of participation in key multilateral regimes and institutions (such as compliance with reporting requirements of international treaties and regimes)
- Participation in significant multilateral actions, such as peacekeeping missions and international sanctions regimes
- Compliance with international sanctions regimes, arms control treaties, etc.
- Financial commitment (measured in terms of state contributions to key institutions, as a percentage of GDP)

## Inclusivity

- Participation by non-state actors in available multilateral efforts or institutions), including processes accepting non-state actors as signatories alongside states and private funding (e.g., philanthropic and corporate) to key multilateral efforts in the domain, as a percentage of GDP
